5. Music & fellowship
6. Time
7. It is early and can get home to prepare dinner in plenty of time. Casual service.
8. Appreciate the informal nature of the 8:00. Also grateful for the more traditional 10:30 service.
9. Everything! Especially Miss Jessie's music and Alan Berry's thoughts.
10. Very relaxed service and the music.
11. I enjoy the people.
12. Old Hymns Reverence Choir
13. dr. broadways sermons. and his jokes
13. It has a casual/contemporary feel in a traditional space. Also, I like the people who attend. The message is uplifting. The order of worship and content is good.
14. The informality of the service.
15. I like getting up early and getting out early. I enjoy Rick's sermons. I like greating each other. I like he casualness of it.
16. The sermons, Jessie Boyd on the piano, Alan Berry, Dr. Broadway's sermons - he relates them to today's world with stories.
17. Allen Berry and the music.
18. Casual & relaxed closeness of fellowship, wonderful music.
19. Music - music - music - Jessie Boyd. Sometimes the sermon from Rev. Rick - Ha Ha. Really like the sermons!! Casual - upbeat - approach.

25. Early hour. Traditional service.
26. music / informal

Service**What would you like to see enhanced?**

8:00

1. more music special or otherwise.....less joking and kidding in the sermon. i would like to feel i just attended chu not a comedy hour.....
2. Encourage more young people to this service.
3. The choir
4. To get more young people in our church and their children involved.
5. More combined services - maybe quarterly
6. 1. Would like choir to remain in choir loft during service. 2. I like an occasional solo, could choir sing the anthem. 3. Could ushers escort people to their seats instead of remaining at back of church? Suppose we might need more ushers. Perhaps people could fill in once a month.
7. We understand Dr. Broadway's message. I often reread the Bible passages of the day's sermon.
8. Nothing.
9. I like it as is.
10. More people in the Praise Choir Moments for Children/Children's Sermon
11. i do not know of anything
12. The music. We are not monks, we can sing with joy and excitement. Not every song has to be in a slow, mournful \ pace. It is not an issue with the Berrys, it is an issue with the tempo and mood of the music. Another suggestion is to use name tags. That is more of a hospitality issue. After a certain point, it becomes embarrassing to ask a person, whom you have spoken to and attended with, for their name.
13. Communion every first Sunday of a month (sometimes not done if pastor gone). Also that kits for communion to the homebound be consecrated so that 8:00 o'clock attenders can do it that day. I would also like to see a children's moment.
14. The music needs some attention. I don't sing very well so I should not complain about the choir. They need more practices. I think of the songs as a prayer. We need to sing all the verses. We don't have to sing a song just beofore the special music. I would like to see more music by people from other serves. The 8:00 singers could sing at 9 and 10:30. Singers from 9 and 10:30 could sing special music at the 8:00 service. We have to do more things to show we are all one church (not three).
15. Bigger choir
16. Call the first service something else besides casual! Maybe old time gospel service???
17. "The choir". More southern gospel songs.
18. Bigger 8:00 choir more up beat gospel music.
19. Choir...I can't sing, but I think we could use more choir members
20. Visuals and handouts that correspond with the message. It's a great resource to refer throughout the week. Also, the white JBL speakers could be used to enhance the sound.
21. Can't think of a thing
22. Children's moment. Congregational hymn suggestions.

Service**What do you like best about the service you attend most often?**

9:00

1. I really enjoy attending the 9 AM service and felt welcome from day one.
2. 8:00 The warmth of the people and the upbeat music. Meaningful message. 10:30 Friendship, laughter along with music.
3. Convenience of time. Casual worship.
4. Music
5. The music is always fantastic.
6. Love the contemporary service. The praise and worship draws me. Bro. Broadway is a wonderful 'teacher' and person in general!
7. Music - All ages
8. Everyone is so welcoming!
9. casual dress and music
10. music
11. contemporary music
12. the music
13. The band and the music, the service and the message
14. I like the Praise Band (Kevin is wonderful on keyboards, etc.) and the singers as long as Doug and Paula are there. They can move me and actually make chills run through me at times. Doug is professional and helps to make the worship meaningful. When he is not there the quality suffers and the service is very haphazard.
15. The Praise Band
16. The friendliness of the congregates. With some it feels like an extended family
17. The praise music. God speaks to me each Sunday through the music and prepares me for the message Rick brings.
18. Contemporary Christian music
19. Music
20. Great music. Make everyone feel very welcomed.
21. The music. Very involving/welcoming group of people.
22. Music, casualness
23. Casual atmosphere, music, time of service. Prayer concerns, I feel it brings us together in Christ.
24. Music
25. The music, the close relationships with everyone - very open & casual atmosphere. You get to be closer to your pastor and know him as a friend.
26. Casualness of service.
27. Music, praise and fellowship, acceptance of all worshipers.
28. The music, the songs, its lively and moves the soul. Feel the presence of the Lord here.
29. The joys and concerns; fellowship; communion; and the music...when it is fresh and not the same old songs.

Service**What would you like to see enhanced?**

9:00

1. Add more songs to the list as well as some more upbeat songs. Maybe add some songs that fit the "theme" of the sermon for that day.
2. Signs and directions to services and classes as well as updated classrooms for children.
3. Need more songs and different each week.
4. Like it the way it is.
5. I would like to hear more sermons from the Bible. We need to teach the people the Bible not just a nice little message. Our main goal should be to make sure the people are saved. Also when the pastor is away we need a better fill-in person who can preach. Alan Berry and Bob Bullock did a good job.
6. Not sure that I would change anything. I feel filled with the spirit everytime I leave after services! God Bless!
7. Name badges
8. nothing
9. I have been going to the Farmington Church of the Nazarene. I really like the Church. I feel the Spirit guiding the church.
10. new songs
11. the fellowship
12. More people attending the service
13. I wish we could somehow get more people to attend. Also many people don't seem to sing - they just sit and listen. They need to get involved in the singing.
14. Attendance
15. Music. More variety. Take some of the old hymns and liven up the tempo
16. Get more people there! Make sure the word is out about our attendance. Would prefer later start than 9am.
17. Different songs than the same ones over and over with better mixing of the sound
18. Would like to see evening Alpha classes and adult trip for weekend to White Mountain.
19. Greater variety of contemporary worship music. Maybe create themes for each week to tie music and sermon into cohesive whole. Start at scheduled time.
20. Maybe some newer songs.
21. More involvement from attendees.
22. Better variety in music.
23. A little more motivation and participation from everyone.
24. I love it like it is!
25. Little more ceremony to the service. Have someone read the scripture and light the candles before reading. Introduce more new songs. Guest singers from other services.
26. Christ's love, grace and mercy scriptures.
27. Different music, and other forms of worship (dance, drama, video clips of how needs are being met, etc)

10:30

1. The reverence and traditional order of worship. The preacher. The choir
2. The time is best for our family and the people that attend. Some have become like family to us.
3. I am comfortable with tradition, but I do enjoy the more informal feeling that has become part of the service since Dr. Broadway became our pastor.
4. Style of worship, choir
5. Music
6. Time of start and traditional style service.
7. Sermon and choir
8. The fellowship with friends. Choir music
9. Traditional Methodist rituals
10. If follows our Sunday school class.
11. The traditional structure of worship. Also, the children's moments and service.
12. I like the traditional feel of the service mixed with the relaxed, warm feeling of our church family. Coming home from college , it's nice to have such a welcoming family here at MUMC!
13. Choir. Rick - He is a blessing
14. The wonderful choir and the upbeat message we get each Sunday from our minister..I also like the time we share joys and concerns of our congregation.
15. It is a formal, traditional service.
16. The formal worship service with the traditional songs
17. Almost everything.
18. It allows my children to attend a worship service as well as Sunday School.
19. Traditional. That's the service I was raised in. Like the way communion is served. Love having Children's Moments and then children's church for the kiddos.

22. time and people who also attend

10:30

31. Traditional hymns. Organ music
32. Traditional service
33. choir - sermon
34. I don't like 8:00 and 9:00 am early service. Cannot get ready that quickly in the morning
35. The solemnity. The music. The worshipful atmosphere.
36. The music and the sermon
37. Habit
38. tradition and our smiling minister. choir is great - Alex a joy to listen too
39. More reverend like church not so loud

Service**What would you like to see enhanced?**

10:30

- 1, the time is 10:10 not 10:30 the timeeeeeeee
2. I like it the way it is now.
3. I would like to have more of a blended service with both traditional and contemporary music, instead of having to choose More reverend like church not so loud between the two. My young kids love to hear music they can relate to from listening to Joy FM but my husband prefers traditional hymns. I like both. I would also like to see Sunday School for 5th-6th graders to grow. This is a very influential time and we are not reaching those kids like we should. I would be willing to volunteer my help but feel we need someone to really take this on,
- 4 . I would like to see an altar call some time. I think that we all need that opportunity once in a while. If someone went to the altar now, everyone would wonder why, but if that opportunity were offered, a person would not feel alone. I think a congregation needs the time to get on their knees and worship at the altar. Who knows what it might do for our faith and our church family?
5. I would like to go back to 10:10 or 10:15 service.
6. Speed up tempo of music.
7. The acoustics
8. More congregational singing.
9. Communion weekly. Name tags. Once a month carry-in dinners.
10. I have no suggestions to improve the service.
11. Weekly communion.
12. N/A
13. I would like to see the ushers to dress down during the summer months.
14. Singing more old hymns that the majority of the congregation knows. We desperately need more singing from the congregation.
15. I don't feel it necessary to repeat announcements, etc. during the services since these are available on the message board in the office. When given the opportunity, members tend to "take up time" with anecdotal information. Consider offering communion on a quarterly basis as it would seem more meaningful.
16. nothing am very satisfied
17. The only thing I can think of would be to be able to hear more clearly the joys and concerns when expressed by the congregation.
18. I like it like it is now.
19. musically - occasional quartets, trios and solos
20. Inconsistent audio/visual presentation
21. A mobile microphone to give people a chance to hear concerns and joys of the congregation.
22. Soften organ - too loud. Heavy hands on key boards.

Service

What would you like to see enhanced? (CONTINUED)

10:30

23. Speed up the music!! The songs are too slow!
24. Attendance. Speed up tempo of music.
25. Move 9:00 service back 15 minutes - Have service at 8, 9:15 and 10:30. Ushers spread out to be in foyer and front - not lined up at back.
26. More preaching from Bible - less anecdotal stories
27. Communion changed to quarterly.
28. Return to more formal, traditional service with fewer announcements and other extraneous activities.
29. I like it just the way it is.
30. A lot of us have problems hearing joys and concerns if spoken in the back
31. Our people to be more active and friendly
